Silvia is a successful Registered Nurse with over 15 years of experience, a background in the areas of adult and geriatric care, specifically in the areas of care management and discharge planning.

Today Silvia leverages on her RN background and is a well established and prominent Certified Legal Nurse Consultant.

She is the founder and CEO of Weber Legal Nurse Consulting Inc. Silvia's services are sought after in several areas of the legal aspects in medical cases, with a unique expertise as a DME/IME expert legal nurse observer.

Silvia remains busy today by serving her attorney clientele and advocating for the Alzheimer's population. Having personal experience with the disease process in her own family, Silvia passionately serves as a Certified Alzheimer's Disease and Dementia Care Trainer. She seizes any opportunity to educate others who are either personally challenged by the disease process, the loved ones who care for them, and the healthcare providers who give their time in caring for this special group of patients.
